

default line. Selectmen had discussed at their budget meetings that they feel Carl Knapp is under budget. The Highway building is a hazard. The Finance Committee would like to set up an appointment with Carl Knapp to go through the building. The Finance Committee would like the Selectmen to look at a bond to see what the town would be looking at for interest rates for the New Highway Building and the tax impact.

Brenda passed out information on the John Stark High School and Weare Schools on the budgets.
